

Hi!

We are currently working on long-awaited improvements for Sendouts. To prepare the platform for what is coming we release smaller updates. This will be live from **30 August**.

News

The screenshot shows the Doctrin platform interface. The top navigation bar includes 'DOCTRIN TEAM', 'Overview' (selected), 'Meeting rooms', 'Control tower', and 'Sendouts'. The right side of the top bar shows 'Testing video equipment', 'History', 'Help', and a user profile for 'Adjani Gerard'. The left sidebar lists team members: 'Doctrin Team Coordinator' (Joseph Schulist, ana boykol, Belinda Stiedemann), 'Doctrin Team Dermatologist', 'Doctrin Team District nurse', 'Doctrin Team Doctor', and 'Doctrin Team Midwife'. The main content area has a 'Filter cases' input field and a 'Show paused cases' checkbox. Below this is a 'WAITING ROOM' section with a list of case categories: 'New cases', 'New consultations', 'Cases requiring handover', 'New consultations - from other units', and 'New cases - from other units'. The 'MY CASES' section shows '2/2 My current cases' and a table of cases.

Name	Age	Reason for contact	Priority	Registered with	Owner	Handed over to	Invited	Waiting time
ana boykol	4 years	Arm problems		Information missing	Adjani Gerard Coordinator			23 days
Joseph Schulist	11 years	Cancellation or rescheduling		Information missing	Adjani Gerard Coordinator	Midwife (Doctrin Team)		10 months

Sendouts is moving to the main menu

To be able to extend the functionality of Sendouts and meet the needs you have told us about - Sendouts is moving to a page of its own. When you log in after the update, Sendouts will be reached from the main menu. The feature will look and work exactly the same as before.
